Dear Parents & Carers,

Parent/Teacher consultations will take place on Tuesday 10th March and Wednesday 11th March 2020.

These provide an opportunity for you to meet your child's teacher and discuss with them your child's progress this term. It is also a useful opportunity to bring to the teacher's attention any particular matters concerning your child's welfare. Each consultation will last for ten minutes.

We would like your child to accompany you to the meeting. We believe that this will give them a chance to explain what they have been learning and be part of the discussion about their next steps in learning. This is a positive addition to consultation evening as it will help the child to take charge of their learning, making it more personal to them.

Please complete the form below indicating which day would suit you for an appointment, giving the names and classes of any other children you have at Rolph, as this will assist us in arranging suitable appointments. Please note that there is only one appointment available for each child.

Yours faithfully,

Mr Ashley
