

Following the outbreak of COVID-19 in March 2020, weekly newsletters were replaced with ongoing ClassDojo messages sent directly to parents. Many communications were sent to parents from teachers, but whole school messages have been copied here for information:

Good afternoon everyone,

Firstly, I hope you are all managing to keep healthy, and managing to get some fresh air in this lovely weather.

This is just a quick message to 'touch base' with everyone and to remind you that you can continue to contact me via my mobile number (XXXXXX XXXXXX) or your class teacher(s) via Dojo, if you feel that you need any additional help or support.

I am also about to send you three books, which I am hoping you find useful when talking to your children about Coronavirus. I shall also add them to the learning resources section of the school website.

Wishing you and your families a happy and safe Easter.

Mr Ashley.
