CORONAVIRUS (COVID-19)

Easter holiday track and trace guidance:

Please refer to the letter sent to you today for reporting of any positive Covid cases arising within the first 48 hours of having been in school.

What to do if your child is displaying coronavirus (COVID-19) symptoms.

Anyone who has coronavirus (COVID-19) symptoms, such as a raised temperature, a new continuous cough, or a loss of or change to their sense of smell or taste, should stay at home and self-isolate immediately. They should not attend an out-of-school setting. They should follow the guidance for households with possible coronavirus (COVID-19) infection.

The full guidance is available via this link: <https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>

If you have a positive test result but do not have symptoms, stay at home and self-isolate as soon as you receive the results. Your household needs to isolate too.

Households of school pupils can order home testing kits. Information about the Lateral Flow Device testing can be found on the school website using the link below: <https://rolphcofeprimary.co.uk/wp-content/uploads/2021/03/ECC-Home-Testing-for-Households-March-21.pdf>
