

KS1 Dance: What is dance and how do other cultures dance?

In the Dance unit, we will explore different dances from other cultures, listen to the mood of music and develop our own rhythm in accordance to the flow of the music. We will develop our coordination, balance and special awareness by combining moves in sequences.

In this unit children will:

- Perform dances using simple movement patterns
- Lead and follow mirroring
- Use different body parts to move to music
- Move according to the pace of music
- Discuss what dance style would reflect the mood of a song.
- Develop special awareness
- Combine movements in a sequence
