Well done Ravenclaw for being the
winning team this week.

Dear Parents and Carers,

We have been celebrating lots of successes again at Rolph this week. Some of these exciting achievements are shared in this week's newsletter and some will be revealed next week! The children are working incredibly hard as always and it is wonderful to see the school and individual children getting the positive recognition that is very much deserved.

Across the school, children have taken part in basic first aid training with a first aid instructor this week. This is a fundamental skill which we would like all children at Rolph to be confident in using should they ever have to. I hope that they came home and shared their experiences of these sessions with you. We will be running further sessions for children and parents next academic year.

This week we also welcomed our new reception class parents into school. We look forward to meeting with them and their children over the coming weeks ahead of September.

It has felt like summer all this week with some very hot temperatures locally. Please ensure that your child has a water bottle and comes to school wearing sun cream and a hat during these last few weeks of term.

Have a great weekend.

Street Tag

The fine weather is making us all get out and about to keep active and as a result we are currently leading the next round of Street Tag.

If you have not signed up yet please consider doing so as it is a fun way to be active with your family. All you need to do is download the Street Tag App on a mobile device and scan this QR code.

Beacon School Status

We are delighted to be able to share with you that we have been awarded beacon school status by the tree council as part of their young tree champions project.

Mel Panrucker also won 1st place with her moving speech about why we need to care for the environment.

Rolph is the only beacon school in the Essex and Suffolk area and this is a fantastic achievement and recognition of the community work that has gone into developing this provision at our fantastic school.

Well done Rolph!

Competition Winner

Congratulations to Ronnie who was the Year 4 winner for the Tendring and Harwich area in which the children designed a shirt to celebrate Birmingham 2022 Commonwealth Games.

A very proud Ronnie with his winning design which has been turned into a sport shirt and will be on display at the school office.

Sports for Champions

Only two weeks to go until a GB athlete comes to visit Rolph and we are now able to reveal who the athlete will be.....Jordan Hart. She is a GB Badminton Player and is looking forward to coming and sharing her story with us to inspire our children to become athletes of the future. To find out more please follow this link:

<https://www.sportsforchampions.com/jordan-hart/>.

While Jordan is here she will also be helping the children to take part in four exercise challenges and we are asking you to sponsor your children to help raise money for two great causes. Some of the money raised will go towards supporting our GB athletes like Jordan and some will come to school to help us provide new equipment for our children to benefit from.

I know finances may be difficult at the current time but anything you can spare will help to support these two great causes. Sponsor money can either be handed in as cash to the school office or via our schools Crowdfunder page:

<https://www.crowdfunder.co.uk/p/rolph>.

Please can sponsor money be returned by next Friday, 24th June.
