Marvelous Me Badges

There was no celebration worship this week due to the KS2 performance. We look forward to our final celebration worship of this academic year next week!

Who will be our winning house?

Dear Parents and Carers,

The days seem to be disappearing faster than normal as we approach the end of the academic year. This week, the children all took part in their transition sessions and spent time in their new classes with their new teachers. We will be holding 'Meet the Teacher' events for parents and carers after school on Thursday 15th September - please save the date and more details will follow.

The curtain went up today for the first performance of the KS2 play. The children took part in a dress rehearsal this morning and then their first performance to parents and carers this afternoon. It was the first time I had watched the performance all the way through and they looked fantastic. Well done to all the children.

On Saturday, Rolph will have a stand inside the education tent at the Tendring Show. I am sure we will see many of our families there. Please do pop in and see some of the work that the children have created for the display.

Next week, we have a further performance from KS2 as well as a number of other events taking place. We look forward to sharing these end of year celebrations with you.

I hope you all have a lovely weekend.

Street Tag

Our regular Street Tag Users may have noticed some changes lately and we can now fully update you. We were initially signed onto the Tendring Schools Leader Board which was sponsored by Tendring District Council, however their contract has now expired. We have now been transferred to the Walton Schools Leader Board which is sponsored by Active Essex. Existing users will be asked to sign in the next time they open the App and will find that their account has moved over. New users can sign up by downloading the Street Tag App and scanning this QR Code.

Club Letters

Letters regarding extra-curricular clubs for September and registration forms for our new after-school provision have been sent home this week.

Please do complete and return these if your child requires a place at any of the clubs. Places will be allocated on a first come-first served basis.

If you have any questions about clubs for September, please speak to Mrs Jones or Mrs Johnson in the first instance.

Sports Hall Athletics Finals

On Wednesday 6th July, Rolph School attended the County Small Schools Sports Hall Athletics finals. We drove to Basildon Sporting Village where they hosted the event.

We took part in multiple events such as: Long Jump, Triple Jump, Medicine Ball, Javelin, Speed Bounce and Vertical Jump. We also participated in many races.

Out of the 6 schools in Essex that attended we came in 4th place. Well done to everyone who participated in this great event.

A really big thank you to Mrs Williamson and Mrs Eldon for taking us and Mrs Jones for giving us to have all these opportunities to represent our school.

Sports For Champions

The children enjoyed their inspirational visit from GB Athlete Jordan Hart last week. Thank you to everyone for handing in your sponsor forms and money. We can now reveal that as a school, we raised a total of £748.50.

This has been split between Sports for Champions (to support GB athletes) and ourselves. We will be spending our portion on Sports Equipment for the next academic year.

Children who have earned Silver and Bronze awards will be presented with these next week.

RSA News

We are very happy to share that we have raised an amazing £1,212 over sports day and inflatable afternoon!!

Thank you to everyone who supported us and particularly to the volunteers/businesses who give up their time to help us to put these events on.

We are actively fund raising for our library bus project. Please do visit and share our Just Giving page:

The plans for the new library bus are moving forward and we are starting to plan for the work that will need to be done when it arrives. If any parents/carers would be willing to donate their time/professional skills to help us with the project, please either send a message to Rolph School Association or inform the school office and we will start to compile a list together. Thank you in advance for your ongoing support.
