

Nursery Autumn 1

I wonder, what makes me special?

This half term, we are going to be exploring everything that makes us unique and special. We will begin by sharing everything about us as a person, thinking carefully about our emotions and what makes us happy. We will then share the different types of pets we have at home and investigate what other pets people might have. We will then hopefully have some visits from 'people who help us' to help us think of those in our community who are always there for us and hopefully inspire us for the future!
