Week 1 of the Summer Menu

Dear Parents and Carers,

Yesterday, we held our open evening for this half term. It was great to be able to celebrate the children's learning with you and for you to have access to the school in this way. It was a fantastic end to the first half of the autumn term. During the event, I was honorary Michelin chef and shared some samples from our new autumn/winter menu which will start on Monday 7th November. You can view the menus and book via School Money. We are really pleased to have worked alongside the catering advisor at the Vine Trust to offer a varied menu and includes a daily vegan option.

Many of you have already responded to the consent form as part of our work with the Anti-Bullying Alliance. Please do complete the form so that we can gather data from the children about their views as part of our work in this area. Bullying is never tolerated at Rolph and we work hard with children and families if bullying is found to be happening. Our wish is that no child ever experiences bullying but unfortunately, it sometimes does happen. At Rolph want to make sure that children and parents are confident about what to do if there is a problem both in school and outside of school, if it occurs and how as a school we will deal with any concerns. Consent forms must be completed by Friday 4th November.

I hope you all have a lovely half term. We will look forward to seeing you on Monday 31st October.

Library Bus Update

Over half term, we are looking forward to the ground work being completed for the school bus, which will enable it to be moved into it's final position.

Next half term, we will be working on the interior of the bus and getting it ready to function as a library. We are currently exploring options for lighting and heating. If anyone has any information about solar options for us to explore, please contact the school office.

Street Tag News

Well done Street Taggers for keeping active in the last week. It is good to see more of you engaging with the app to help you keep active and healthy but it is going to need a good push over half term to see the Harges family knocked off the top spot. If you fancy a trip out over half-term, there are various trails with bonus points on offer in Clacton and Holland-on Sea. For more details go to the main menu on the app, click on playground and then click on monuments. Currently there are also bonus points to be had when you walk along Walton sea front.

As a thank you for your support some of you will have received PE codes this week to add to your totals.

Well done to Marcus, Euan, Noah, Ronnie, Jenson, Zane, William, Aaron, Parker and myself for playing so well and showing great sportsmanship.

On Friday 25th November, we will be organising a Careers Day in school for our children. It is really important for them to learn from an early age about different vocations and how their learning and interests can lead to employment as an adult.

If you or anyone you know would like to take part in the event, please contact the school office with details. You would need to be able to talk about your role and bring any information or props to show the children as they visit the event. We are looking for people from all employment sectors, so please get in touch.
