Dear Parents and Carers,

This week the children have been thinking about Remembrance and why it is still important today to give thanks and recognise the sacrifice that men and women who have served and continue to serve in our armed forces have made. The children observed a 2 minute silence today and it was lovely to see the children in their uniforms for cubs, brownies etc. Thank you to everyone who purchased merchandise from the Royal British Legion. If you would like to attend the service on Sunday in the village, the details of these are below.

Admissions for children starting school in September 2023 have now opened. You will be able to apply online for a school place until 15th January via <https://www.essex.gov.uk/admissions-to-essex-schools-for-the-next-school-year>.

Parents and carers are welcome to book a tour of the school at any time but we have a formal open evening on Monday 14th November from 6.30pm should any prospective parents wish to attend.

We are still looking for any volunteers who can help with our Careers Day on Friday 25th November. If you would be able to help by talking to some of our children about your job, what your role entails, how you got into that line of work and what our children need to consider if they would like to follow in your footsteps! If you are available to take part in any way, please contact Mrs Emrich.

I hope you all have a good weekend.

Forest School News

This week, we have received 600 bulbs from Bulbs4Kids from the Netherlands. Children from Years 4 and 6 planted them on Wednesday. We are making a display near the pond to enter into a competition. The spare bulbs were planted by the pond warriors in the planters outside the office.

The children also planted 105 trees donated by the Woodland Trust. Some were used in the woodland area to create hedging and the others were planted around the perimeter of the school field.

Street Tag

Well done to everyone who kept active over half term. It is still the Harges family in the lead, can another family challenge them for top spot next week?

We are pleased to announce that we have amalgamated the monies, from our latest Street Tag win and sponsor money from our GB athlete visit in the Summer, to buy a new portable blue-tooth speaker and microphone. These will be used across the school at events such as Sports Day and Christmas Concerts. Thank you to everyone who has contributed.

Congratulations to the following children who received certificates this week for demonstrating excellence in the curriculum or our school values.
